

# Computer Science progression

	Year R	Year 1	Year 2
Computer Science	<p>I can understand that technology works through instructions</p> <p>I can work collaboratively to solve problems with peers.</p>	<p>I can begin to understand how computers work.</p> <p>I can understand how a simple database works.</p> <p>I can understand what algorithms are.</p> <p>I can explore using an algorithm.</p> <p>I can understand that algorithms are precise</p> <p>I can begin to programme a simple sequence of commands into a programmable toy.</p>	<p>I can understand how a computer uses instructions and commands.</p> <p>I can use algorithms to solve a problem.</p> <p>I can write a sequence of instructions to control a <u>programmable toy</u>.</p> <p>I can predict what will happen in a program.</p> <p>I can record a simple sequence of instructions to control a <u>programmable toy</u>.</p> <p>I can create a plan of the steps needed to solve a more complicated problem</p> <p>I can create a plan of the steps needed to solve a more complicated problem.</p> <p>I can debug my programs.</p> <p>I can identify errors in my program programs and talk about how to fix them</p> <p>I can use algorithms to create programs to move an object within simple on-screen program</p>

# Information Technology progression

	Year R	Year 1	Year 2
Information Technology	<p>I can use an iPad to record.</p> <p>I can use a touchscreen device to practise my name.</p> <p>I can begin to log into a computer</p> <p>I can load a programme with help.</p>	<p>I can load a program.</p> <p>I can print and save my work</p> <p>I can begin to record a video using a device.</p> <p>I can use a paint package to create a picture to communicate my ideas</p> <p>I can save my work with help</p> <p>I can begin to take photos using a device.</p> <p>I can use ICT to begin to organise items.</p>	<p>I can improve my typing skills and edit my work.</p> <p>I can plan a video recording.</p> <p>I can use an iPad to film a video.</p> <p>I can use an app to create and edit my work.</p> <p>I can create, save, organise and retrieve digital content.</p> <p>I can use technology to create graphs and show data.</p> <p>I can copy and insert images.</p> <p>I can manipulate digital content.</p>

# Digital Literacy progression

	Year R	Year 1	Year 2
Digital Literacy (keeping safe)	<p>I can recognise that a range of technology is used in places such as homes and schools</p> <p>I know what to do if I am unsure of something online.</p> <p>I know the rules when I use YouTube.</p>	<p>I can identify technology around me</p> <p>I can understand the purpose of different technology.</p> <p>I can understand and explain the use of ICT</p> <p>I can explain what to do if I am unsure of something.</p> <p>I know to ask for help from a trusted adult and talk to them if I am worried about something.</p> <p>I can explain how to stay safe on YouTube or a similar app.</p> <p>I know to ask a trusted adult for help if I am unsure about something.</p>	<p>I can understand the purpose of, and begin to independently use a range of different technology.</p> <p>I can identify technology in our world.</p> <p>I can discuss the pros and cons for technology.</p> <p>I can explain what to do if I am unsure of something.</p> <p>I know to ask for help from a trusted adult and talk to them if I am worried about something.</p> <p>I can explain what to do if I am unsure of something.</p> <p>I can identify the problems of some technology.</p>
