#### Calmore Infant School

EYFS Key Experiences: What children experience in Year R at Calmore

#### 'Above and Beyond' Experiences:

School Trip to Hillier Gardens, visit from a farm, adult visitors showcasing their jobs, exploring an ambulance and a fire engine, puppet show, panto, children's entertainer, performing for parents

#### An Enabling Environment:

A safe, stimulating environment, inside and outside that reflects our interests and drives our curiousity and creativity

## The Richness of Language:

A love of words and language: singing rhyming, speaking, listening, reading, story-telling and writing

What our children experience in Calmore Infant School EYFS

# A Curriculum for Holistic Development:

Curriculum Goals driven by the development of the whole child, based upon the EYFS framework and achieved through rich, well-designed long-term and weekly planning informed by both formative and summative assessment.

These experiences are underpinned by the four guiding principles of the DfE EYFS 2021 Statutory Framework. We aim to provide every child in our Year R with these experiences. We recognise that every child is a unique child and that every child learns in different ways and at different rates and we therefore adapt these experiences to meet the varied needs and interests of our learners.

#### **Positive Relationships:**

A key worker for transition
A teacher to move us
forwards with our learning
A school community to make
us feel valued and part of
something bigger
Interaction and play with our
peers

### **Enriching Core Experiences:**

Cooking, Forest Fridays, borrowing books from the school library, Art Club, mindfulness, celebrating festivals from around the world
