Dear Parents and Carers,

Despite the endless coughs and colds, we have packed a lot into this week. We have had a pantomime, secret presents, an author visit, Christmas lunch, a drumming concert, Christingle service and our special end of term awards. The children even had a surprise visit from Miss Mayne all the way from Dubai! No wonder everybody looks tired! Thank you so much for the generous gifts that you have given our staff, they are very grateful. I really hope that this next 2 weeks you will have time to spend together as a family, without feeling too pressured by the commercial and financial elements of Christmas.

We look forward to seeing you all on Wednesday 3rd January.

Merry Christmas and Happy New Year.

Author Visit

We were so excited to have Liam White into school to share a story that he has written with us. The children had chance to ask him questions about being an author.

He was really impressed with the maturity of the questions they asked.

Emotional Health Support

Please remember on our website, under the 'Parents tab' we have Emotional Health & Wellbeing support for adults and children.

It is really worth a look at to support all family members as there are lots of links and support for all ages. We know that Christmas can be very difficult for families and there is lots of help available.

What a busy week! A really big thank you to all those that have helped make this week so much fun.

100% Attendance Lucky dip

Today we awarded our lucky dip prizes for the children that have been in school every day this half term. We understand that lots of coughs and colds are going around, but are proud of those children that have been in every day this half term.

The lucky dip starts again after the Christmas holiday so we look forward to next half term.

We hope you all have a lovely Christmas, and we look forward to welcoming you all back to school on Wednesday 3rd January.
