

## Bump into Books Challenge to create a Book in a Box!

At school we have lots of opportunities to bump into a book, including in a crate with some interesting items to attract the children's attention to the book.

We have designed a special challenge for World Book Day that the children have been invited to take part in. We spoke about creating a book in a box, using their favourite story.

There will be a £10 book voucher for one child from each year group for the most imaginative book in a box!

Please see below for more details.

### Book in a box - Can you create your own book in a box?

Using a small box, can you recreate a scene from the book, could you:

- Draw or make a background
- Add artefacts or items to represent the main characters
- Use your DT knowledge to add levers, flaps or joins
- You could use natural materials or items that you have recycled
- You can make an information (non-fiction) or story (fiction) box or even base it around a poem or rhyme that you have found from a book.

Make sure that you name the box and the book that you bring in.

Closing date is Wednesday 13<sup>th</sup> March
