What is the purpose of Nurture Group & its Philosophy?

Nurture Group is a small class of pupils (8-10). Its composition is carefully well thought-out to create a balanced and functional group. Its purpose is to offer children opportunities to re-visit early learning skills and promote and support their social and emotional development. There is much research evidence that **children's learning** is most effective when they have a sense of emotional well-being, good self-esteem and a feeling of belonging to their school community. The Nurture Room provides children with this opportunity and so helps to develop their maturity and resilience. The Nurture Room is a place of learning.

Who is Nurture Group for?

It is for children and young people who:

- have friendship difficulties – keeping/making friends
- are quiet, shy, withdrawn
- find it hard to listen to others or join in
- can be disruptive towards others
- find it hard to accept losing a game
- find it hard to share and take turns
- find it difficult to cope in the classroom
- have low self esteem
- find it hard to manage their emotions appropriately

What is a Nurture Group?

Calmore Infant School's Nurture Group is a class:

- of around 8 - 10 children
- taught by 2 members of staff
- providing play based opportunities to help children learn to negotiate, turn take, share, listen to others, concentrate and plan.
- providing bespoke teaching activities suited to individual needs based on their Boxall Assessment (see below).
- rich texts (fiction and non-fiction) are used to inspire and promote learning.
- providing children with a chance to develop positive relationships with the teaching staff and each other.
- **promoting children's self-esteem** and build their confidence
- where snack time is used to help with social learning and encouraging children to attend to the needs of others
- **closely linked with the child's mainstream class and children remain members of both classes.**
- helps with transitions e.g new class/new school
